

Granite School District Boundary Study Update

In the July 2023 Board of Education meeting, the board authorized the Population Analysis Committee (PAC) to proceed with the following important boundary study that may impact your neighborhood and school:

Brockbank Jr. High is anticipated to reopen in conjunction with grade reconfiguration and the opening of the new Cyprus High School in the fall of 2025. The board authorized the continuation of a study to reopen Brockbank Jr. High and develop a new boundary and feeder pattern. GSD will need three viable junior high schools to accommodate 6-8 grade reconfiguration in the Cyprus High and Hunter Jr. networks. A community meeting will be held about this study on **September 13, 2023 at 7:00 PM at Matheson Jr. High** (3650 Montclair St, Magna, UT 84044). The general public is invited to attend.
