

## Week 4 Study Guide

Action/Reaction	<ul style="list-style-type: none"><li>- An event or influence, something that happens or is performed.</li><li>- The response to the event or influence (see causality)</li></ul>
Advocacy	A skill you acquire to represent yourself and others. You know your goals, you know your mind, you know your rights, you are in control of yourself, and you respectfully let others know what you think (even if they make fun of you!)
Background Knowledge and Prior Experience (BK & PE)	Everything you know, every experience you ever had. You make a connection to your B.K. & P.E when you need to remember something or learn a new thing.
Chronology/Chronological	Events are arranged in the order of time, like a life process or a natural cycle.
Citizenship	We act like we belong to a society; we know and perform the duties and obligations of a citizen. This shows our good character, when we act for the common good.
Estimate	You make a close guess at a number using what you see, what you know, and what you figure out. If you can simplify, that will help you win.
Metacognition	You are thinking about your thinking. You are aware of your brain working. You understand your brain process. You are building schema. You are thinking about how you are thinking.
Pare Pair Pear	<ul style="list-style-type: none"><li>- You remove the peel or rind of a fruit</li><li>- You have two, a couple, a duo</li><li>- A fruit of the <i>Pyrus communis</i> tree</li></ul>
