

# MJH COMMUNITY COUNCIL MEETING MINUTES

November 23, 2015

In attendance at the meeting: Heatherlee Norman, Erika Searle, Dawn Hauser, Daniel Bartholoma, Diane Castro, Robin Larsen, Spring Clark, Jeff McMullin. Eric Bailey our new assistant principal was also present. A quorum was present and we began the meeting at 3:35pm.

Robin started the meeting with a welcome.

Erika reviewed the minutes from the last meeting. Dawn motioned to approve the minutes and Diane 2nd. Minutes were approved with no changes.

Robin reviewed our Rules of Order and it was decided that we would read over our current rules and look at Brockbanks rules over the next couple of weeks in order to decide what we would adopt and keep as our rules at our next meeting in December. Robin moved that we vote on this in December and Daniel 2nd.

Dawn gave us a Land Trust update and we have spent \$9,245.10 for a language lab that included chromebooks and cart. Spring suggested that we have a paper showing what the coded numbers stand for on the spending of the Land Trust money so we were all more aware of what money is spent and where.

Dawn reviewed the SSAP plan and instead of just a 5% increase growth in literacy and mathematics we increased it to 20%, wanting our students to have a bigger goal to reach for. It was motioned to accept the SSAP plan and Daniel 2nd. The vote was as follows:

Name	Yes	No	Abstained
Erika Searle	X		
Heatherlee Norman	X		
Dawn Hauser	X		
Daniel Bartholoma	X		
Diane Casto	X		
Robin Larsen	X		
Spring Clark	X

Dawn went over the reconfiguration staffing that will happen next year with the 9th grade moving to Cyprus. Teachers, aides, custodians will all have a place to go. Teachers will have the option to apply to Cyprus if they teach 9th grade. 7-8th grade teachers can submit applications to Matheson Jr. High or Hunter Jr. High. Administrators will sit down and start to put the list together to staff and will start staffing in January.

Dawn brought up sending a letter to the assistant superintendent in order to keep our student-led conferences as we didn't have any problems with them. She we rework some of the wording and we will come in and sign it to get it sent off.

Robin will get us the information from the school district to see how the new digital citizenship laws will affect our school. We will go over this at the next meeting.

Meeting was adjourned at 4:47pm.
