The changes were motioned by Dawn Hauser and seconded by Cindy Thomsen.

Review of the Land Trust by Dawn Hauser

With the permission of the council, Dawn Hauser will be submitting the same goals that are in the Land Trust Plan with the exception of technology for the SSAP.

An update on the sky bridge at 8400 South was presented by Dawn Hauser. The sky bridge has been set aside for now until there is an update on land availability. It has been decided to use a four way stop light and a lower speed limit with a second access road for large trucks to take and remove the traffic from 8400 South, the plan is scheduled to begin this coming spring.

Safe walkway update was presented by Dawn Hauser, the afternoon report for after school traffic flow is that 53 students used the crosswalk and the busses leave no later than 2:55 P.M, a follow up will be scheduled for a morning observation.

It was introduced that the district wants all middle schools to be on no more than two bell schedules. It was discussed that there are a couple options being looked at by Matheson Jr. High's leadership team and building committee and will be decided on soon.

Successes/ Concerns:

Concerns addressed at the meeting are as follows Utah Compose, and SEL Skills of the month in advisory.

A success shared was the new student behavior incentive the Tiger Den, which will be used to encourage exceptional citizenship and work throughout the school driven by students.
