No concerns mentioned

How to use additional funds left over:

New binder presented: thicker, includes a strap, zipper (save money on tabs, pockets, tab, pencil pouch), binder included, WICOR strategy from AVID, blank note taking template, will save the school money with printing cost. Community council will pay for incoming 7th grade. Chromebook in

binder/assigned to students? LMETS had some concerns (water damage, broken, lost, stolen). Valley checks them out in the morning and in at the end of the day. Teachers wanted to remain tracking them in class by majority vote. It would be interesting to see the numbers from Valley and West Lake. See the data prior to making a decision from Valley and West Lake.

Suggestions from the Community Council for left over LAND trust money (10 to 15,000 dollars possibly).

Increase in translation services.

Land Trust Updates 2018-2019 Plan: Reviewed notes

Proposed to use 69, 116.58 entered in progress report

No questions indicated

SNAP Student Neighborhood Access Program: Reviewed map located on Matheson Junior High webpage

Route/Crossing Guards: Meza to double check accuracy of crossing guard map. No crossing guard on Magna Main, some crossing guards are doing double duty, community council discussed the accuracy of the map and necessity of placement of crossing guards

Matthew indicated that Montclair and Washington street intersection is hard to cross in the morning guards and after school

2 crossing guards in reality assigned to Matheson, continue to recommend putting in sidewalks, request with UPD for more crossing guards.

3500 south and 8400 west for placement of crossing guard (proposed)

Reach Don Jensen and request 4 crossing guard on 8400 West
