

TEEN TECH MONTH ACTIVITIES

EVERY WEDNESDAY IN MARCH DURING TEEN TIME

Join us each Wednesday for STEM based activities to celebrate Teen Tech Month.

- **March 6th:** Join us for a building challenge. Help your team build the largest tower using only marshmallows and toothpicks.
- **March 13th:** Take our Sphero Around the World challenge and learn some basic programming skills.
- **March 20th:** Learn more about video game level design and create a level for Super Mario Brothers.
- **March 27th:** Come play with our snap circuit kits and see what you can create.
