

Monroe SCC Meeting 11/4/2020 Agenda

Welcome

Attending: Ily Moro, Mindy and Jeremy Harding, Misty Gutierrez, Samantha Frame, Dave Holt, Brenna Clark

- Review video “Creating a Plan” and “Additional Responsibilities”

3:42 watching “Creating a Plan” Video

- Start the discussion concerning NEXT YEARS TRUSTLAND BUDGET. When you come back from Winter Recess, you will need to begin to put that together.

3:53 - we still have our reading interventionist, no year end tests from last year. So no end of year data to compare. She is using Dibels to track performance. Is this a plan we want to continue with or create a new plan.

Teacher has requested we add part time teacher to her duties if needed. We can look at the data at mid year or Jan 2021 to see effectiveness.

4:02 - watched the video “Additional Responsibilities”.

- PTA updates

4:05 - suppose to do a membership drive, but Member Hub is getting figured out. Member Hub allows PTA to accept memberships, buy t-shirts and communicate to parents.

Because of Covid there are so many activities that cannot be done, like book fairs. Fundraising is ready to go with Little Caesars punch cards that saves families money. Also need to get a membership drive going.
