Website is offline until 1/15/21. You should have, or will soon receive an email to confirm/change your password. Discuss and begin planning the Land Trust plan for next school year. We need to discuss ideas on how to spend the money, no projections yet for next year. We can hire substitute teachers to cover teachers PLC and teacher collaboration time during school. Will talk to other teachers during the Leadership Team Meeting tomorrow. Need to have Amanda on the agenda for the next SCC meeting to go over her progress. Team discussed if there is an afterschool online program that don't involve teachers. Dave thinks United Way may have a program

4:14-4:16 The Communications department will also be providing an updated Elected Officials list for you with contact information. It might be a good idea to assign someone on your SCC with keeping the lines of communication open with your elected officials, and keeping them informed. Next team meeting we could draft a letter to send to our elected officials, expressing our gratitude for their support.

4:16-4:31 PTA updates: Santa's Secret Shop went well PTA made \$4290 and after paying out costs they earned about \$3000. Also wrapping up the fundraiser. PTA is wondering how to get the book fair in February 2021 to work with Covid restrictions still in place. They have decided to hold the bookfair the next week after SEP's are over, this way students can use their scholastic dollars.
