

## School Community Minutes November 4th 2021

**Attending:** Mindy Harding, Misty Gutierrez, Samantha Frame, Molly Morgan, Ily Moro, Molly Morgan

**Absent:** Alison Milne

3:35

Discuss course and student enrollment priorities, we will need to start the discussion concerning next year's land trust budget. We will need to create after winter break.

3:40

Review the Child Access Routing Plan or Safe Walking Route (elementary and junior high): We can ask parents on the PTA facebook page or Monroe's website to let our administration know if they see any obstacles that our students face walking to and from our school. There is a problem with morning congestion in the school parking lot with student drop offs for breakfast. Cars are not paying attention to students in the parking lot rushing to get in the breakfast line. We have 6th grade students in orange vests that help kids cross over to school. PTA is currently ordering flags for these students to make them more visible. We could also ask the Watch Dogs for help.

3:48

Review Safe Technology and Digital Citizenship reports: There is a discussion guide in the School Community Handbook that we can look at in the next meeting.

3:49

Updates from the meeting at the district council from Oct 26th, no one was able to attend.

3:50

PTA Updates: Book fair is finished and the PTA made over \$3,000 from Scholastic, which is \$1,000 more than last year.

The Reflections contest is finished and there were 4 entries, they will need to figure out prizes next week.

Currently working on membership packets, will need Shayla to create.. This will include free t-shirts for signing up and a Fired up party for the classes.

Birthday bags are ready for students who have had a birthday in July to October.

PTA has bought Lexia treats to motivate students, starburst, otter pops, hot and regular cheetos and popcorn.

The fundraiser this year will still be with Little Caesars, and adding Holiday Oil car washes and Jamba Juice.
