

Monroe School Community Council Minutes
12/1/22

Present: Mindy Harding, Donna Bushman, Samantha Frame, Nina Molyneux, Misty Gutierrez, Christina Santibanez, Allie Terrazas

Big 3 Parent Night feedback:

- Some kids wanted to/ were expecting to play the games rather than watch the movie; we like the idea of bringing the students in after parents learn the game; this would make the kids more excited for kids to come
- If we do a movie again, maybe select a shorter movie that fits the time frame for f
- Teachers and families seemed confused about what was happening at the time the two times that parents were able to come

PTA

Fundraiser:

- Doing the fundraiser during fall break was difficult because people forgot; suggestion was made to do it weeks before or after fall break
- What are other fundraisers for next year? Magazines, restaurant night, classic skating night, fun run.
- Do restaurant nights this year? Kneaders, Chic-fil-A, McDonalds, Panda Express
- Tentatively: McDonalds for December (with Santa appearance) and Panda Express for January

Santa Shop:

- Setting up tomorrow in instructional room
- Using an app for check out this year
- Starting preview on Monday, shopping Tues-Friday; setting up volunteers for next week
