

School Message

The **STEM Fair** is fast approaching. Boards are due in class December 10, in-class presentations for K-2nd grade, STEM Fair for 3rd - 5th grades is December 12. Logbooks should come to school the day of the fair.

Save the date! We will hold a **Holiday singing/Band and Orchestra** performance for parents on Friday, December 20th. The schedule can be found in the "Upcoming Events" column, there will be a several minute transition time between the band, orchestra, and each grade singing to allow for parental movement if needed. If you choose to take your student home after they sing, please be sure to sign them out at the office.

Open enrollment begins December 2nd. If you know anyone who is interested in attending Morningside, please tell them to come in and complete an open enrollment form. Families already attending Morningside don't need to re-sign open enrollment forms.

We will be holding an **informational parent-night regarding our French Dual Language** program soon, more information will be coming. Anyone interested in joining the lottery for a first-grade placement can fill out the application on the GSD website www.graniteschools.org December 2nd- February 21st.

We have quite a few students with **Reflections** projects that have moved on to region judging. Congratulations to the following students: Penny Lloyd, Joey Zheng, Hope Dance, Christopher Wong, Henry Clark, Clark Sierer, Holland Smith, Susanna Clark, Claire Mitchell, Jillian Boller, Robbie Gordon, Sophia Russell, and Oriana Taylor.
