Halloween We are excited for our Halloween celebrations at the end of this month! We will be celebrating Halloween on October 29th. The district has asked that we not hold a Halloween parade for social distancing and contact tracing reasons, so we are getting creative with our Halloween plans! Students can still wear a costume on Oct. 29, however we are asking that they not wear anything on their head that will conflict with wearing their face mask, and we are asking that extra accessories (things that are held and not worn) remain at home. As always, please make sure that your child doesn't bring a weapon (real or fake) with their costume. We will take pictures of students wearing their costumes to be made into a video we will share with parents, you are welcome to send a picture of your distance learning student to areese@graniteschools.org prior to 2:00 on October 29 and we will add them to the digital parade!
