

School Message

Chromebooks- We will hold Chromebook check-in day on June 4th from 8-3 so we have the Chromebooks ready for the fall. Please plan on returning all Morningside-owned devices.

Art Night- we will be holding an outdoor art night on May 13! Students have been busy making “stained glass” art that will be displayed in the school windows from 7pm-9pm.

Beach Day- we are excited that we are able to have Beach Day this year! There won't be any significant water activities to keep masks from getting wet, therefore no children will need to wear bathing suits. We look forward to a great time!

5th grade promotion will need to be modified this year due to the restrictions and guidance for end of year activities. We will hold promotion with all 5th grade classes together, however we are asking parents, grandparents, and other loved ones to participate digitally. More details will be coming soon with a link to connect and watch the ceremony. We will have a picture-taking area outside of the building before and after school for pictures with friends and a photographer taking pictures during the ceremony that we will share with you.

Upcoming Events

- * May 12- 4:00 pm School Community Council meeting in school library and Zoom:
