## School Message

**End of Year Testing.** We are heading into end of year testing season. Our 3rd-5th grade classes will be completing the RISE test, Acadience Reading and Math. Our K-2nd classes complete Acadience Reading and Math. Your child's teacher will let you know what the testing schedule is for their class. You can help support us by:

- Ensuring your students are at school everyday and are on time
- Help your student get a good night's sleep
- Provide your student with a nutritious breakfast

Please view this newsletter for more information:

**Pick-up/Drop-off.** Please help us keep all students safe by following our pick-up/drop-off procedures. It is essential that all students cross the street using the crosswalk; students darting into traffic to cross the road will lead to disaster. Please help us keep everyone safe. Help us keep the air around Morningside as clean as possible by not idling as you wait for your student. You can find pick-up and drop-off procedures on our website.

**Please help us keep our students and staff safe!**

**Student Council.** At the end of March our student council completed their 3rd quarter service project. They collected food to create weekend food kits for students in need. They collected enough food to create 107 weekend food kits, and filled up three 55-gallon barrels of extra food to be donated to the Granite Education Foundation's food bank. Thanks to our community for their support and making this project possible.
