

School Message

Maturation for 5th grade students will be Friday, March 11. This is a “distance learning day” for all students, we will send a Zoom link to parents for students to attend the Zoom maturation meeting. We recommend that a parent participates with the child to help answer questions or navigate emotions.

RISE- The window for the end of year state testing for 3rd, 4th, and 5th grade students (RISE tests) opens when we return from Spring Break. We will soon send some resources for practicing the test at home, we will also send a testing calendar and tips for how to help your child be successful. Please reach out to your child’s teacher if you have any questions.

Pick-up/Drop-off. Please help us keep all students safe by following our pick-up/drop-off procedures. It is essential that all students cross the street using the crosswalk; students darting into traffic to cross the road will lead to disaster. Please help us keep everyone safe. Help us keep the air around Morningside as clean as possible by not idling as you wait for your student. You can find pick-up and drop-off procedures on our website.

PTA Corner:

Morningside PTA 2022/23 is still looking for leaders! #1 Priority- PRESIDENT-ELECT! Without this vital role, the PTA will lack necessary support and there will be a gap in the progression for the following year. Please contact Stefanie at preselect@morningsidepta.org if interested or know someone who would be great in this role!!

Also, please reach out if you would like to be involved in any of our programs as a Commissioner or Chair. Description and calendar link of programs can be found at <https://morningside.memberhub.com>
