Approve October Minutes (Kami/Alisha)

Follow-up Business

- Shayna reported on district community council. Rob McDaniel presented on PBL, Curriculum adoption process was reviewed, school behavior response was discussed
- Playworks- reviewed current data from Playworks recess surveys. Teachers shared recent Playworks concerns

New business

- Crosswalk on Shanna Street, below Morningside
 - Speeding on Bluebell, cars are going way to fast with kids walking along the side of the road
 - Letter from SCC asking for a crosswalk
 - Drew Quinn will reach out to Jard Bunch for road painting options
 - Can we place cones on the side of the road?
- Land Trust Plan for 24-25 (put on Feb. agenda)
- Governor's request for cell phone/watch phone ban
 - Follow up in Feb
 - GSD supports local communities to decide on policies, no movement for a GSD-wide policy (per Julie Jackson)
 - Option to review current school policy and send a letter to the Governor with our preference
- Valentines for 5th grade students- not a community council issue, parents will address this with 5th grade teachers

Additional business

- None

Public comment

- Julie Jackson- BTS funding is in jeopardy and the school district can't fund BTS without gov. funding. We are urged to reach out to our legislators and advocate for BTS funding.

Adjourn (Shayna/Kami)
