Liability/Medical Release and Permission to Participate

I understand that any interaction with the general public poses an elevated risk of being exposed to COVID-19 and other communicable disease. While Promise South Salt Lake is following guidelines from local public health and childcare licensing officials and taking precautions to promote health and safety of program participants and staff, Promise South Salt Lake cannot guarantee that youth will not be exposed while participating in Promise programs. In consideration of the acceptance of my application/request to participate in the Promise South Salt Lake Programs, I do hereby waive, release, and discharge any and all claims for damages of death, personal injury, or property damage which myself and/or my child/children may have, or which may hereafter accrue as a result of participation in said programs. It is understood that some programs/activities involve an element of risk or danger of accidents, and knowing those risks, I hereby assume those risks. It is further understood and agreed that this waiver, release and assumption of risk is to be binding on my heirs and assigns. I have read and understood the forgoing liability release, and sign it voluntarily. I hereby give the Promise South Salt Lake the right to render aid and to apply emergency medical treatment to myself and/or my child/children in the event of an accident or injury, as they deem necessary. Additionally, in case of emergency or serious illness, when I cannot be reached immediately, I hereby authorize Promise South Salt Lake to obtain emergency medical care and/or provide medical transportation. I authorize all medical and surgical treatment, x-ray, laboratory, anesthesia, and other medical and/or hospital procedures as may be performed or prescribed by the attending physician and/or paramedics for my child and waive my right to informed consent of treatment. Funding stipulations require Promise South Salt Lake to participate in ongoing evaluations, which includes sharing student data including your child's name, student number, and program participation with evaluators including Utah State Board of Education, 21st Century, and Department of Workforce Services. Evaluators use these data only for the purposes of fulfilling grant duties and do not share these data with any other third parties without your written consent.
