

Logging in to a Chromebook

Connecting the Chromebook to WiFi:

- Click the WiFi icon in the bottom right corner of the screen

- Locate your home wifi and click on it
- Enter the password for your home wifi

Student Usernames:

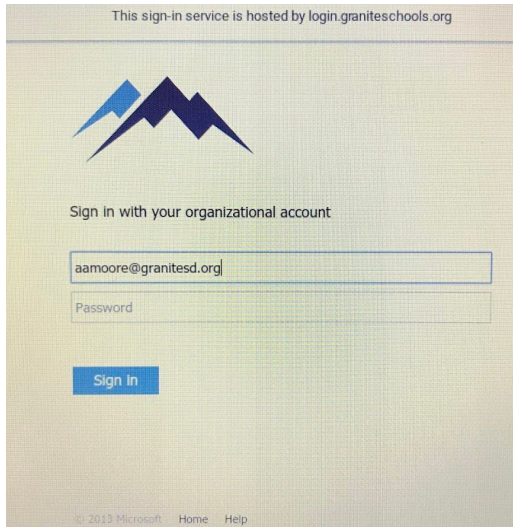

- Students log in with their 4/4/4 combination followed by @granitesd.org
 - first 4 letters of first name
 - first 4 letters of last name
 - first 4 digits of student number
 - Example:
 - Sally Brown, student number 9567034 = sallbrow9567@granitesd.org
 - If a student only has 2 or 3 letters in their name, they will just use their whole name. They don't need to add any extra characters to make 4.

Signing In:

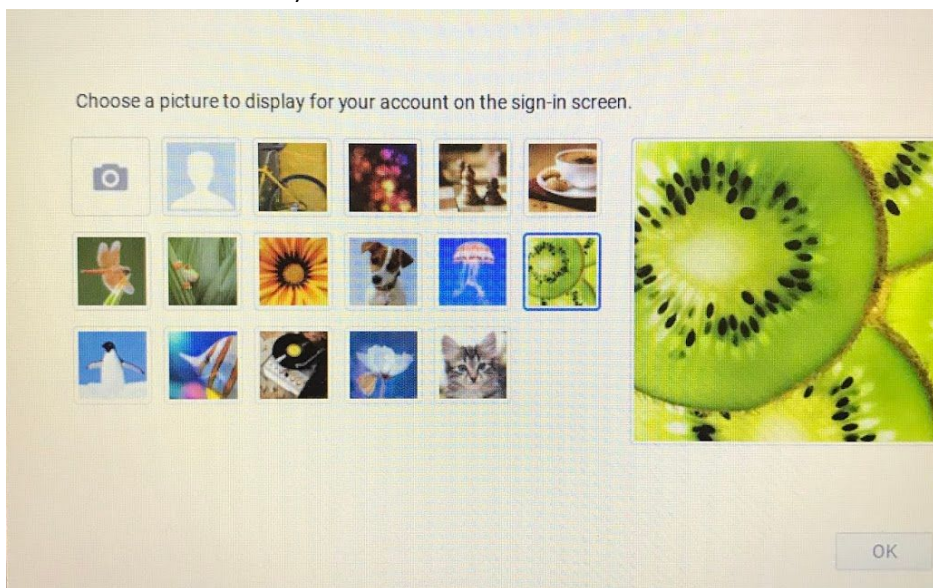

- You will see a screen that says “This device is managed by granitesd.org. Please click “next to continue signing in to your granitesd.org account.

- Click next when you see this screen to Sign In to your Chromebook
- On the mountain screen, enter your 4/4/4@granitesd.org email address and your password.
 - Default password for K-3 is 123456,
 - Default password for grades 4-6 is School1. The student will be prompted to create a unique password the first time they login.

- Click Sign In
- You may be prompted to accept Google's Terms and Conditions. Scroll down to accept and agree.
- Choose a thumbnail picture or take a picture of yourself with the Chromebook webcam (if your teacher allows it)

- Click OK

Logging in to Portal

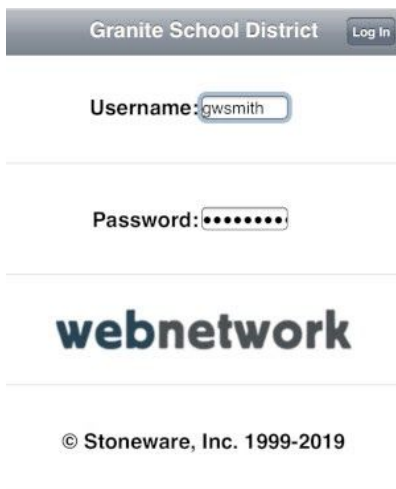

The Granite School District portal provides convenient access to many websites used by students.

You can find links to the portal on school websites or the main district page, but the most direct path is <https://portal.graniteschools.org>.

- Go to Granite Portal (<https://portal.graniteschools.org>.)
- On a desktop web browser, the login page includes the district logo and links to reset passwords and register for the parent portal.

- Mobile devices only display a simple login form.

- On either version of the login page, enter your username and password, then click Log In.
 - (For students, the username is the student ID number, which begins with the number 9.)

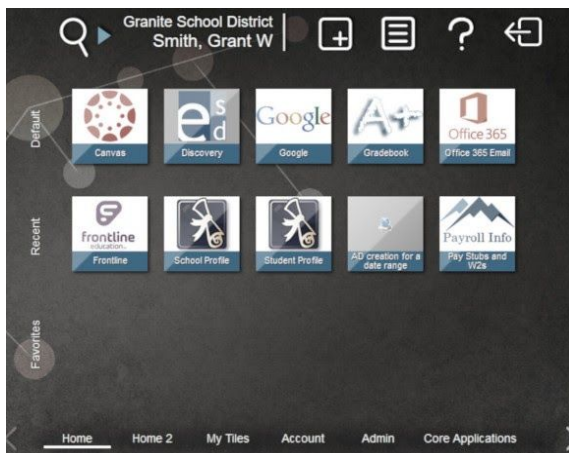

- After login, an animation of a cloud should appear only briefly.

- If the page sticks on this animated cloud, you may have a problem with cookies in the web browser you are currently using. The easiest work-around is to use a different web browser (such as Firefox, Chrome, Internet Explorer, Edge or Safari) or a different computer.
- The portal may display a warning that webPass is missing. You can access the full functionality of the portal without using webPass, so feel free to click Cancel.

- After a successful login, the portal displays three rows of tiles.
