

PARKING SAFETY

Please note the following safety rules that will help to keep your children from getting hurt.

- Pull all the way forward, stop, and "drop-off" or "pick-up" children.
- Please only enter the school parking lots when your students are ready to unload in the mornings.
- Pull into a parking space if you need to get out of your car for any reason.
- Pull forward to fill in gaps as cars leave. When necessary after school, loop through again to keep the flow of traffic moving.
- Pull next to the curb; pull completely to the left.
- STAY in your car while waiting for your children.
- **BE COURTEOUS AND NICE TO OTHER DRIVERS, SAFETY PATROL and TEACHERS! We are trying to keep ALL children safe.**
- Be quick yet safe in dropping off and picking up your child(ren).
- Avoid using your cell phone while in the school parking lots.

Please **DO NOT**:

- Leave your car unattended in the drop-off/pick-up lane.
- Get out of your car unless you are in a parking space.
- Ask your child to run in front of another car to get to you! Instead, encourage them to use the crosswalk.
- Pull up to the school steps in the faculty parking lot.

Please remember to drive slowly, always watching for children.
