Prescriber signature:	Date:	
<b>Parent or legal guardian completes this section</b>		
<p><b>Parents are responsible to:</b></p> <ul style="list-style-type: none"> <li>• Bring the student's asthma medication to the school. The medication must be in the original pharmacy container with a pharmacy label that has the child's name, medication name, administration time, medication dosage, and healthcare provider's name.</li> <li>• Replace the asthma medication when empty.</li> <li>• Provide any new prescribing or dose information to the school if there is a change in the student's prescription.</li> <li>• Complete an updated Asthma Action Plan before designated staff can administer the updated prescription.</li> </ul>		
<p><b>Parent/guardian authorization</b></p> <p><input type="checkbox"/> I <b>authorize</b> my child to carry and self-administer the prescribed medication described above. My student is responsible for, and capable of, possessing or possessing and self-administering an asthma inhaler per UCA 26B-4-408. My child and I understand there are serious consequences for sharing any medication with others.</p> <p><input type="checkbox"/> I <b>do not authorize</b> my child to carry and self-administer this medication. The appropriate/designated school personnel should keep my child's medication for use in an emergency.</p> <p><input type="checkbox"/> I <b>authorize</b> the appropriate/designated school personnel to keep my child's medication for use in emergency.</p>		
Parent signature:		Date:
<p>As the parent or legal guardian of the above-named student, I give my permission to the school nurse and other designated staff to administer medication and follow protocol as identified in the asthma action plan. I agree to release, indemnify, and hold harmless the above from lawsuits, claim expense, demand or action, etc., against them for helping this student with asthma treatment, provided the personnel are following prescriber instruction as written in the asthma action plan above. I am responsible for maintaining necessary supplies, medication, and equipment. I give permission for communication between the prescribing health care provider, school nurse, school medical advisor, and school-based clinic providers necessary for asthma management and administration of medication. I understand that the information contained in this plan will be shared with school staff on a need-to-know basis and that it is my responsibility to notify school staff whenever there is any change in the student's health status or care.</p>
