To ensure that our teachers are given the proper time to make final preparations for the day's lessons, **students and parents are not to arrive to school before 8:45am.**

Students will be invited to head to the back playground area to await the 1st bell at 9am.

Teachers will meet their students out back between 9 – 9:05am.

School concludes at 3:45pm and we ask that parents do not pick up their student(s) before this time unless it necessary every so often.

We strive to maximize the learning time that we have with students and continual tardiness and early pick-ups may distract from this goal.
