Message from Principal Bailey

Hello Oakwood Family and Happy New Year!

I love this time of year when I take time to reflect on the past, celebrate the present, and look forward with hope to the future. I hope all our Owls and their loved ones may find more peace and joy in 2024!

Kindergarten Registration is now open! Oakwood is currently enrolling all students who will be 5 years old by September 1, 2024. Please visit the main office to enroll a student. Kindergarten Orientation will be Friday, May 10th at 12:30pm in our school's gym.

Students who live outside of the Oakwood boundaries may also now apply for **Open Enrollment**. Families are to visit the Oakwood Elementary webpage and select the link entitled "Apply for Open Enrollment Today." Early Open Enrollment period ends February 3rd.

This month we will be holding our **Chinese DLI Parent Night on Tuesday, January 16th from 6pm – 7pm**. This night is for all students and parents interested in joining the Chinese program at Oakwood Elementary starting next school year. The program is available to all students currently enrolled in another Chinese DLI program (grades 1-5) and any new students going into 1st or 2nd grade next year. Here students and parents will be able to visit with District/State Chinese DLI representatives, current elementary students participating in the program, and current DLI teachers.

Later this month your students will be bringing home a **Student Questionnaire** for you to complete. Information from this questionnaire will help Oakwood to determine class sizes and teacher assignments, plan school financial budgets to best fit our school's needs, and to give our teachers information to plan for their next year's students. This is not a teacher request form and class rosters will become available in August 2024.

Bonneville Junior High Viking Night will be Wednesday, January 10th from 5:30pm – 7:30pm. Families are invited to attend to learn more about the great opportunities that await your student next school year.

I love our Owls and I am excited for what they will accomplish in 2024!

Mr. Bailey
