## Message from Principal Bailey

Hello Oakwood Family,

As we come to the close of this school year, I would like to express my gratitude to our students, teachers, and community for believing in our school's plan of blending our two communities together. We have seen so much success in student academic growth and social skills. Our kids are resilient and have shown that they can meet the challenges of school. I truly love being able to serve this community every day.

I wish for all our Owls and their loved ones that you may have a safe and healthy summer. New school year registration will begin the last week of July and more information will be coming out over the summer. Please check our school's webpage, Class Dojo, and social medias for more information. Once you have completed the online registration forms, the student's teacher will be made available to you.

I love ALL our OWLS!

Mr. Bailey
