July 15, 2019

Dear Parents and Students,

I hope you are having an enjoyable summer. I extend a welcome to all returning students, as well as sophomores and students new to Olympus High School for the 2019-2020 school year. I look forward to getting to know each of you more and the great traditions of Olympus High School.

On the Registration Tab you will find important registration and school-related information pertaining to the new school year. This year for registration there have been some changes to the online registration process; which include using the Parent Portal not only to pay school fees, but to submit required forms electronically rather than having to bring them into the school. Once the registration process is complete, the student schedule will be emailed back to you within two business days. This year students will be given a magnetic calendar for free in their English classes. Additional magnetic calendars, Ti-Books (student directory & planner) are available for purchase online. These items will have pertinent information regarding A/B days, holidays, etc. Included on the Registration Tab are letters from the PTSA and the Olympus Development Foundation. I would encourage you to read their information and support these great organizations.

There will be NO walk-in registration day. ALL registration will be done on-line. If you need access to a computer, we will have computers available in the Career Center.

Administration will be available only for Fee Waivers, Tuesday, August 6, 2019 from 9am-1pm & 4:30pm-7:30pm. We hope that by having a day time and night time available we can accommodate family work schedules.

Students may only pick up Ti-books and parking permits on Thursday, August 8, 2019, from 10:00 am to 2:00 pm.

Yearbooks will not be on the webstore. Yearbooks can only be purchased from Jostens by going to www.jostens.com/. See flyer on the Registration Tab for more specific instructions.

Lockers are available through https://ohs.lockerassignment.com.
Pictures will be taken by Bell Photographers on August 22 and 23 during English classes.

Sophomore and New Student Orientation: We invite all sophomores, students new to Olympus High, and their parents to an orientation to be held in the school auditorium on Wednesday evening, August 14, 2019 beginning at 6:00 pm. There will be a short orientation meeting, after which students will have time to locate their lockers and classrooms.

Olympus High School will maintain a full course offering, as we have done in the past. We will make every effort to ensure that students at Olympus High School receive the very best education possible.

The first day of school is Monday, August 19, 2019. This is a Late Start, “A” day schedule.
Classes will begin at 8:25 am and buses will run at regular times.

We are excited to begin the new school year. Enjoy the rest of your summer and we'll see you on August 19th.

Sincerely,

Stephen Perschon, Principal, Olympus High School
