Principals Report: Our current COVID positive numbers are very low. The "test to stay" process has been successful.

Student section at basketball games is set at 4 tickets per player and though the fan numbers are low we are still wanting to create a student section.

Test to sway has been proposed (test to attend a school dance) and has some traction. Stay tuned for more information.

Still waiting on confirmation of the Huntsman Center as a venue for graduation. We should have a plan by the end of this month.

School sports are going strong. We have a couple of wrestlers going to state, swim team going to state, and both boys and girls bball having great seasons.

Virtual parent teacher conferences are happening on Tuesday and Wednesday. Spirit Week will run for 2 weeks.

Super Bowl of Caring will support our Olympus food pantry.

Prep classes for junior's ACT will be offered. March 23 will be the free ACT test day for juniors. Although some colleges are going away from ACT results for 2021 entrance, scholarships will still require ACT scores. April 14th will be the Aspire Plus for 9th and 10th graders. Pre ACT for Sophomores is on its way.

SEP Dinners: Amy has this handled!! It will be seamless, and the staff will love it.
