## Olympus Community - Helping Hands

# HOLIDAY DONATIONS

I am reaching out to you once again for your generosity this holiday season. Last year we started Holiday Helping Hands and thanks to you, it was a great success. We had truck loads of toys, clothes, and household items donated by you to help over 65 families in need. We take the donations to Kearns Junior High and they host a family at a time to come shop in their holiday store. Families are able to pick out items they need, and also pick out some fun toys for the kids to have under the tree at no cost to them. The store is not limited to the Kearns network, we also had families from Olympus and other schools shop there as well.

Included below is a link to the Amazon list of needed items. This is just to make it as easy as possible for you to help and the default delivery address is Olympus High. If you would rather shop in person with your family, or if you find a better deal on Amazon, please feel free to buy items any way that works for you. We will have donation bins in front of the counseling center where you can drop off items at any time. We would like all items to be delivered here by Dec. 10 so we can deliver the gifts and have enough time for families to shop.

In addition to the items on the Amazon list, there is always a need for:

Laundry detergent  
Hygiene: Feminine products, shampoos, deodorant, etc.  
Bedding  
Towels/Blankets  
Dishware  
Family games  
Make-up

There is no donation too small. Whatever you are able to do, it will be appreciated by me and those families in need. If you or someone you know have a need this holiday season, please reach out to me or any Olympus High counselor and we will be happy to help however we can.

Thanks again for all you do.
