### Olympus High School Parent/Student Parking Information

Parent Initials	Student Initials	<i>Parents &amp; Students, please read and <u>initial</u> the following statements to ensure that you understand the consequences for not following the rules and regulations:</i>
		Students may only park in the north and south parking lots. Students who park in fire lanes (red curb areas) or handicap parking areas may receive <i>city AND/OR school</i> parking tickets.
		Local businesses surrounding Olympus High are not parking annexes. These businesses reserve the right to have cars ticketed by Unified Police and/or towed.
		<b>Olympus High School and the Granite School District are NOT responsible for theft, loss or damage to your vehicle(s) or possessions. Students will park in Olympus parking lots at their own risk.</b>
		Parking hang tags will be sold only to <i>seniors and juniors due to limited parking spaces</i> . The hang tag must be visible, placed on the rearview mirror facing out, in the vehicle they park at school on any given day. It is the student's responsibility to move the tag if they change vehicles.
		School parking tickets are \$10.00 <b>per violation marked on ticket</b> if paid within 30 days. Tickets will then double after 30 days. Any appeals must be made within the first 30 days of the ticket. <u>Tickets will not be waived for:</u> *parking in visitor and faculty lots * parking illegally due to inclement weather *not moving the hang tag when changing vehicles or because it was left on the dashboard/not in sight
		Once a student has received three tickets, their parking privilege may be suspended until a parent-student conference with administration. Additional tickets after the conference may lead to parking privileges being revoked for the remainder of the school year.
		Lost hang tags will not be replaced before the first day of school following winter break and will require a meeting with an administrator for approval. Students who park without a parking hang tag may be subjected to being <i>towed at the vehicle owner's expense</i> .
		Students caught: 1) Lending their pass to a sophomore, 2) trying to reproduce a tag for any other student, or 3) using a parking tag from any other year than the current school year, will be assessed a fine and possibly have the tag revoked for the remainder of the school year.
		<b><i>Granite School District is under no obligation to provide parking for students, and parking spaces at Olympus High School are limited. Purchase of parking hang tag does not guarantee the availability of a parking space at school.</i></b>
