PT Conference Feedback In Person vs. Virtual	Jen Christensen	Love the virtual night and in person night. Would love for there to be appointment times for each night.	Suggestion for appointments for both in person and virtual night.

PBL Discussion	Jen Christensen	Discussion about the citizenship grade – what is the buy in? Common standards and flexibility with the classroom (not the same in masses). Would like some consistency across the board with what is happening in each grade level. Parents would also like to have some type of practice and know where they are able to see where the practice is available. Incentivize citizenship for ability to participate in clubs and activities. Uniform practices among all grades.	Meeting with teachers – will do something for grade levels and discuss with our next teacher training on 10/28.
