Drug and Alcohol Speaker – Amy De Le Garza	Jody Matsumori	Addiction recovery physician – presented to swim parents and athletes. Really neat night presented by science. A lot of discussions on what happens to the brain with drugs.	Jody will talk to Amy and ask her availability. See if she would be open to talking to different athletic teams, and then opening up additional times for classes – possibly Health or Freshman Success.  Add to a full athlete night – add to the parent night for Zero Fatalities.
Course Selection Review and Drill Team Survey Results	Jen Christensen	Course selection has begun – we need all students to choose classes by January 20 <sup>th</sup> . Drill team results – we clearly have an interest and will be having a drill team for the 2023-2024 school year!	We will ensure to have parent information available to provide opportunity so girls know and understand what all of the different programs are.
Calendar Survey 2024-2025	Jen Christensen	Available Online – please complete	Share with the community to get their input as the calendar is prepared for next year.

PBL Update – Grade Level Discussion	Jen Christensen	Common Language for all students at Olympus High – Students must complete all learning activities in order to complete reassessments in each class.	This will be advertised to parents and the community.  Frustrations – due dates / cut off date – deadlines. Can the cut off and due date be the same?  School will work on – policy and practice becoming the same – students need opportunity.
