### Summer Session Dates:

- Session 1 - June 5-8
- Session 2 - June 12-15
- Session 3 - June 19-22
- Session 4 - June 26-29

### Cost:

### Packet Time Commitment

Each packet will take students approximately 18 hours to complete.

### *Class Period Requirements*

As was discussed during our course selection in January, students who have failed classes and need credit recovery will be required to be in a credit recovery class during the school year.

- Students who need 1-4 packets, will be in a semester class.
- Students who need more than 4 packets, will be in a year long class.
