

OHS Mass Change Day

Student Procedures

August 18, 2023

Attend all of your classes, paying close attention to expectations, course objectives, and pacing to decide if the class is right for you.

Attend mass change day if you foresee any needed class change; understand it is the ONLY opportunity to make a class change.

Understand the challenges and risks of initiating class changes. Many classes will be full, so it is unlikely you will get your ideal schedule.

Check back frequently regarding openings in a class, as class availability could change.

Students must add all classes before dropping any classes.

Bring a paper or electronic copy of your PTG so counselors and teachers can help find scheduling solutions.

Reflect maturely, with your learning goals in mind, as to whether a different class may better suit your needs.

Honor class caps and remain available for possible openings.

Mass Change Day Schedule:

Seniors and Juniors - 7:30-8:15 am

Sophomores and Freshmen - 8:15-9:00 am

Doors Close at 9:00 am
