Budget: Camille Egbert – \$1200 in new fundraising, spent \$390 Education and Family Life, \$360 Stomp and candy canes, \$700 grants, about \$1000 short – be frugal where spending money going forward, work on fund raising; need to make some adjustments – need to be creative with 9<sup>th</sup> grade party – have families sponsor somethings

Volunteer Hours & Membership: Heidi Dudley: clipboard pass around

Fundraising: Melissa Frank absent today

Reflections: Becky Black not here, but a student is continuing onto state

### Past Events:

Stomp less attended, a lot of cookies left – not enough last stomp, so purchased more and less kids attended; 9<sup>th</sup> grade at basketball that day

### Upcoming Events:

Jan. 19: Lunchtime activity: basketball activities indoor and treats

Jan. 23: Top Dog – brainstorming most cost effective treats – maybe Banbury Cross Donuts?

Feb 21-24: White Ribbon Week: tech based safety; who is in charge of it? Michelle/Principal will look into

Net Smart Assembly

Jennifer would like a Red Ribbon Week back

Mental Health week in February or March

### Community Council Update: Tina Seastrand

Going back to tradition 7 period, M and Th advisory period – one-day mentor, one-day enrichment

No reading on those two days – but like an 8 period day

Teachers overwhelmingly would like to change to this, more cohesive

Bringing in experts to train teachers on enrichment days

Awards: Tina Seastrand – needs principal letter and write up for outstanding educator (Mr. Thomas)

Principal Wagstaff Report:

Registration process beginning – already gone to Driggs  
Beginning early to get a jump on it before other schools  
Thursday, last day of semester; new class schedules given Monday  
Registration packet will be given for parents to help with registration  
Digital Literacy, semester class, required for 8<sup>th</sup> graders, help with computer savvy  
Computer Technology will not be offered anymore because of this new class  
High school will still offer this class one more year – for those 9<sup>th</sup> graders  
This will affect music and language classes because of this required class

FYI: trying to fill Olympus Council, meet monthly at high school, if would like to contact Michelle

Valentine Fundraiser: Issues and concerns were shared with Mr. Wagstaff. It was decided Mr. Wagstaff would share those issues and concerns with the SBO Advisor, but let the SBOs take ownership of what they sell and how they will fundraise. Some other ideas were shared.

9<sup>th</sup> Grade Activity: charge \$5 per student for tee-shirt
