Minutes= Jennifer Kleinman – Approve PTA minutes : Paula Delis motioned to approve the minutes, Suzy Rasch 2nd, vote was unanimous in approval

Budget= Lori Allen

-We now see money in the money market in the account that we carry over. It is \$4500

Fundraising = Shannon Randle

-Tell the storms to chill out. She has to repair them all the time but it is going great.

Reflections = Becky

It went great but we are done. None of ours went to the next level.

Teacher Grants = Alyse Christensen

-Approved all so far except for a few late requests.

-Ms. Nate wants a 3-D printer (needs for curriculum) Ms. Brown has one and used it for reflections.

Questions were asked about how much supplies are to keep it going? How many students will benefit? Maybe we can pay for half? PTA often doesn't spend the money and it should. It is needed in the classrooms.

-Mr. Grant brought up maybe using money for additional cameras for the school. Example is we had people driving on the lawn and it probably cost \$10,000 to repair the lawn. We can't tell who did it. We want to be able to find someone if there is a problem. It is not to spy on the kids or teachers. A parent brought up the existing cameras are very grainy and you could not pick out a car. Can we get better cameras?

-Julie Wallace asked if our PTA would be willing to provide the school with dinners for parent teacher conferences. Hopefully a one time thing? Parents agreed that we would love to help but it should not come out of PTA funds. Ask parents to donate food.

Most schools do multiple lunches to accommodate kids getting through the hot lunch line. We only have 20-25 each lunch that get hot lunch.

During TA all kids are assigned to a teacher to go to. Thurs & Fri same TA teacher

In community council they are working out what these TA periods will look like. You are all welcome to come to community council meetings. He will come back and present to PTA.

There are 16 Jr highs in the district. We are the only one that doesn't have a TA type period.

Drop off/Pick up lane=

Officer Fernandez parks in front of school for security and so that he can respond very quickly.

There is heavy weaponry in the car and he needs to be able to get to it quickly.

Parents are frustrated but it is 15 minutes and it is a safety call.

*We need help for parents to help in the copy center.

Next meeting is 2/9
