Business

Thank you to Suzy Rasch and Dana Johnson for Reality Town. They had enough parent volunteers and things seem run smoothly. Suggestion for future years would be to provide some type of dialogue session following the activity. The kids need to process the activity and find take aways.

Thank you to Natalie Watts for Honor Roll Recognition. Over 500 kids earned donuts that were passed out during lunch.

Lunch time activity was provided in October. Thank you to committee of parents who helped. Activities included ice cream cones, dancing and photo booth. Another activity will be held on Nov. 18th.

Becky Black reported on Reflections. School winners were chosen and notified and shortly afterwards, district reduced the number of winners they would take. Board discussed and decided to send all school winners, since they had been announced. The district had made this decision to late for us to make a change. Thank you to Becky for her work on reflections.

Steinway concert is scheduled for November 19th, the PTSA has no responsibility for this event.

Principal Report:

Thank you for parent support. Mr. Grant reported on recent meeting regarding proposed schedule changes in 2016-17 school year. Many teachers and only a few parents attended the meeting. At this point the 5x5 block has been taken off the table. Committee is looking more closely at the modified block schedule with and advisory period. Another meeting is scheduled for the 17th of November in the evening for parent feedback. All are welcome to attend and give their perspective and gain a better understanding of the proposed schedule.
