REGENTS' SCHOLARSHIP

UTAH SYSTEM OF HIGHER EDUCATION

We are now scheduling **Regents' Scholarship consultation meetings**. They will be begin September 22 and continue through October. We hope that you can let students you work with know about this opportunity.

These appointments are for students/parents to come and meet with a scholarship representative at our office to learn more about the scholarship, have their transcripts reviewed and receive answers to their questions. Our target students are 9th and 10th graders. To sign up students can go to www.regentsscholarship.org. Once they have signed up they will have the address and directions of what to bring. If you have a student that cannot come to our office, they can always email their questions to us at regentsscholarship@ushe.edu or call 801-321-7159.
