

Olympus Junior High
Community Council Meeting Notes
March 12, 2020

Attending Council Members: Joshua LeRoy, Katie Graham, Julie Jackson, Juliane Taylor, Elise Soukup, Becky Jensen

Non-attending Members: Melissa Olsen, Susan Hollberg, Rob Brough, Corrine Kendall

Guests: none

Approval of March Minutes: motioned by Julie Jackson, 2nd by Katie Graham, all in favor

Principal's Report: Josh LeRoy

Next Year: There will be extended announcements on Mondays.

Josh is trying to add recess time next year especially for the 6th graders

Josh says he has the ability to weight the lunches (give a smaller group 1st lunch and favor the 6th graders)

2020-2021 Land Trust Budget: Josh LeRoy

The current plan is fine as it is. The plan has been approved and the money is there. The Legislature is going to revisit state budget (with current struggling economy). There is a chance that TTSA might not be there.

Current Enrollment for next year: 830 students. We are able to plan so FTE is going to cover everything except Carly S. We are looking for a new English teacher. Good news: We will have full-time intern counselor next year.

End of year procedures: Basically, we can't do much. The PTA is going to try and organize a drive-thru t-shirt pick up on Lagoon Day. Julie expressed concern that we do the same for the 8th graders as for the 9th graders. June 20th for yearbooks.

Motion to adjourn: by Juliane Taylor, seconded by Julie Jackson

Next Community Council Meeting in September
