

Olympus Junior High  
Community Council Meeting Notes  
April 8, 2021

**Attending Council Members:** Becky Jensen (Chair), Juliane Taylor (Vice-Chair), Corrine Kendall (Staff), Josh LeRoy (Principal), Heather Hale (Parent), Tayna Bates (Parent), Meg Thunnell (Parent), JoAnne Brown (Teacher), Steve Rossi (Teacher), Elise Soukup (Parent), Jonny Matich (Vice Principal)

**Approval of March Minutes:** motion by Rossi, 2<sup>nd</sup> by Brown, all in favor

**Principal's Report:**

- I. **End of year RI Data:** Our March Average Proficiency Score was 79% (We *almost* made our goal of 80%!) Student Average Growth was up 12 pts from the Sept.% Proficiency score of 66%.
- II. **End-of-year testing plan:** Yes, we are doing testing this year, in the core subjects of English, Math and Science. The State, however, is not going to use this testing for accountability. There will be a 90-minute testing period on each of 6 days in May (May 12-21). Testing will take place during the morning in assigned rooms. Fridays will be dedicated to Distance Learners who will have to test in person.
- III. **Updates for staffing:** The administration is currently interviewing for a new dance teacher. They have hired a math teacher to replace Mr. Bollschweiler, who is moving over to Cottonwood HS. With URSER monies from the State (which will last 2 years), the school can pay for a third day with the school social worker and also fully fund an intern counselor. We are lucky that this means a relatively small student/counselor ratio next year.

**Community Comments:** none

Motion to Adjourn: Becky Jensen, seconded by Rossi  
Next Community Council Meeting on Thursday, **May 6 @ 3:15 pm**
