

## F.A.Q.

### Class Fee Schedule

First Semester	September 6, 2021
Second Semester	February 1, 2021

### Library Fee Schedule

Import 1	October 16, 2021
Import 2	December 16, 2021
Import 3	February 16, 2021
Final Import	May

### How can I pay my student's fees?

1. Online with a credit card on the [webstore](#).
2. Over the phone with a credit card.
3. In person with cash, card, or check.

### I forgot my password.

Call or email me, I will reset your password to the default password. You'll be prompted to change your password after you log in.

### I have a webstore account. Why isn't my student's balance not showing up?

This is a great tool if you have multiple students in Granite School District. This allows you to pay all your student balances on one account. Call or email me and I will add your Olympus Jr. student to your parent account.

### How soon can I purchase a yearbook?

As soon as registration begins. Yearbooks are available for presale on the [webstore](#). Purchasing a yearbook early guarantees your student has a yearbook reserved for them at the end of the school year.

### What is the studentbody fee?

The studentbody fee is a general fee we charge all students. This fee is used to fund assemblies, school wide events, student food and incentives, and instructional supplies.

### What are class fees?

Class fees help pay for field trips, music licensing, guest speakers, choreographers, and any other class materials that may be needed.

### Fee Waiver

Applications are due 30 days after the start of school (for students transferring into a school, 30 days after the transfer date). All required documentation must be submitted with the application in order to be reviewed for consideration. If approved, the waiver will cover all class fees and school sponsored events for your student.

Fines are **not** subject to fee waiver, including library, school property loss/damage or school violation fines. Optional purchases are also not waived, including school pictures, yearbooks, school gear, etc.
