

Community Council
March 10, 2022

Start time: 3:28PM
End time: 4:13PM

1. Land Trust Plan
 - a. Allocation for next year: \$102,000
 - b. Goals:
 - i. RISE proficiency and growth
 1. 5% increase RISE proficiency
 2. 5% increase RISE growth
 3. Want to be in top 3 of district for proficiency
 4. Want to be in top 5 of district for growth
 - c. What to spend money on:
 - i. Extra periods- \$40,000
 1. Extra periods help our goal by keeping math, english, and science class periods manageable for teachers
 - ii. Summer hours- \$30,000
 1. 4 days in the summer (\$150 a day), teachers can work on curriculum for the year. 2 days (GT) 2 days (6th Grade Success)
 - iii. Before and after school tutoring (science, math, and english teachers)- \$10,000
 - iv. Curriculum Night- \$3,000
 1. Teachers can get kids excited about their curriculum and classes
 - v. Library- \$5,000
 - vi. PLC Conference- \$25,000
 1. Teachers would go to conference to learn skills that will improve PLC meetings which in turn will improve how they help students grow and learn
2. RISE testing this year in May:
 - a. 2 days of testing each week (assembly type schedule)
 - i. First week-Math
 - ii. Second week-Science
 - iii. Third week-English
