Hello Orchard Families,

It is odd to say that there are only five weeks left of school. It has been a different year with the restrictions in place to keep everyone safe, but we are so happy that we have provided in-person education all year long. Thank you for all of your help this year so we could keep students and staff safe at Orchard!

Here is a link to Common Sense Media that goes over the popular app TikTok. I know many students enjoy this app, but there are some helpful tips here to help protect your students' privacy if they are using the app. <https://tinyurl.com/555jmvuw>

On May 10, we will have a lockdown with cover drill. We must practice this type of drill at least once a year. If you want to know more about the drill, please click here <https://tinyurl.com/4eayb7kk>

If you haven't had a chance to let us know the type of learning environment your child will do best in next year, please use this link to fill it out <https://tinyurl.com/2t58naep>

Lastly, next week is Teacher Appreciation Week. We are so appreciative of our teachers and all they do to help each child reach their potential. Thank you, teachers!

Important Dates:

May 3 – Food Pantry at 3:00 pm

May 10 – lockdown with cover drill

May 17-21 – Kindergarten Testing – No school for Kindergarten students

Thank you for all that you do and for sending your student(s) to Orchard Elementary!
