### Last Meeting Follow-up

- Ben. Horsley - Grade Reconfiguration
- Continual Improvement Plan
  - Follow-up regarding decision on use of funds
- District Community Council Rep
- Community Council Training invitation

### New Business

- District Community Council Rep
- Community Council Training invitation

## NOTES

- Ben. Horsley - Grade Reconfiguration:

Board wants to update the process as only 2.5 networks haven't changed.

They still want community feedback, but pretty set the reconfiguration is happening.

Timeline:

**Step 1&2** -Spring 2023- Community info meetings and community council meetings

**Step 3** -Fall 2023 Outside consulting firm conducts surveys-results possibly release in CC meetings.

**Step 4**- Spring 2024- Present to board by school network.

**Step 5**- Decision- move as early as Fall 2025

New Cyprus campus set to open 2025

Brockbank may be reopened in some form.

Population 'sweet spot' for schools:

Elem school 550-800

Jr high 700-900 (Matheson currently has 1100+kids)

- Continual Improvement Plan

- Follow-up regarding decision on use of funds:

Offer after-school program for Continual improv plan (We have some options- robots,etc)

Continue looking for additional personal-interventionist or school-based substitutes.

- District Community Council Rep

Connie Torres has volunteered.

- Community Council Training invitation

Links were sent for training offered on Zoom.
