AGENDA

Last Meeting Follow-up

New Business

- Amendment to hire a long-term sub
- Amendment to hold an after school program

NOTES

- Vote to amend the budget for after school program and contract substitute, since we no longer need to save a teacher and can't find an interventionist. ~\$55,000 for a substitute and \$10,000 for an after school program, with an estimated \$67.000 in funds after roll-over.
- We are opening the after-school program to K-6th, to make sure everyone who wants to participate can. We have 8 teachers willing and ready to step in.
- Crista motioned to amend the budget, Ann Peterson seconded, all approved.
