William Penn Community Council Meeting Minutes
October 11, 2016
7:30–8:30

Minutes

1. Mr. Nixon asked each member to introduce themselves
   - members in attendance: Melissa Stringham, Sidsie Drysdale, Tiffany Riley, Susana Haskins, Holly Rawlings, Kent Nixon

2. Community Council Roles and Duties will be discussed at the next Community Council Meeting on Thursday, October 27, 2016 at 7:30 am

3. Mr. Nixon reported on the current status of FTE and the effect on teachers including the recent drop in enrollment that reduced the FTE by .5 (which means that we have to either lose or fund from a different source ½ a teacher)
   a. An option to fund the .5 FTE (to avoid losing a ½ a teacher and increasing class sizes) is to reallocate LANDS trust funds to cover the cost of the .5 FTE.
   b. This cost that was discussed was around $26,000. However, since then, Mr. Nixon learned that it would be $23,313.00. 😊
   c. $28,358.76 is currently allocated to pay for Power Hour Aides. One idea is to pay for the .5 FTE out of the Power Hour Aides money and fund the aides some other way.
   d. Other allocations could be shifted to help cover the Power Hour Aides and the remaining balance could be funded by the next school fund raiser (APEX)
e. Safety at the school was briefly discussed and further conversation regarding changes will continue on at the next meeting.

f. Improved communication from the school to the community

g. Important dates (below) were noted

h. Meeting was adjourned

**Important Dates:**
UEA Break – No School on 10/20 and 10/21
End of Term – Short day on 10/27 and No School on 10/28
