Reconfiguration

Wes Cutler came and talked with the 5th and 6th graders to discuss the reconfiguration process and what they should be expecting. A regular joint communication to parents with other community councils would be appreciated by parents – what to expect, how to be preparing, where to turn with questions and concerns.

Community Council Training

Reviewed Rules of Order and Procedure – found on our school website as well as the Granite School District School Community Council Handbook

Review Safe Technology and Digital Citizenship and School Policies – look into providing more training for the children, specifically social concerns

Safe Technology Training Opportunities for our Community – Fight the New Drug will be coming next year to 6-12 grades, they have presentations for both students and parents. Red Ribbon Week needs to be redirected and address drug use and healthy lifestyles. DARE program may also be a good program to introduce to 5th grade next year. Nichole will discuss at next PTA meeting.
