Current budget and spending

Currently funding .5 teacher and 6 29-hour paraprofessionals with our budget. Paraprofessionals are trained by the reading specialist.

RISE Data

Reviewed percent proficiency rates for William Penn compared to all elementaries across the district. Nichole can bring the data broken down by grade next month.

Reconfiguration

Freshman and Sophomore registration has been scheduled. Teacher applications need to be in soon if they want to move to a different school. William Penn is including 5th graders on usual 6th grade activities so they don't miss out before transitioning to Evergreen.

Lockdown

Principal Higgins met with teachers and staff afterward and reviewed what is supposed to be done in the classroom.
