

## Community Council Minutes, 10/12/2020

### In Attendance

Melissa Trujillo, Mandy Owens, Corinne Keyonne, John Cederlund, Maria Slo

### Absent

Doug Johnson, Loura Texeira

First item was FTE update. Although enrollment was down and normally would cause a reduction of 0.5 positions, the district will cover the difference and staffing will remain as is.

2nd item was the budget. TSSA funds pays for our paraeducators, and provided funding for an additional 10 hours. Title 1 continues to pay for 1 FTE. There are no changes to the Trust Land Funds.

3rd item was information about the potential move of 6th grade to junior high. Due to the earthquake damage to Westlake Jr High, this issue will not be addressed at this time, and will be back on the table after Westlake is repaired or rebuilt, estimated to be 2 years or more.

Final item of discussion was how to get more support for the Community Council and the PTA. Ideas included incentive to join, such as class parties or rewards, such as boxes of chocolate for classes who have success. The conversation included a plan to send home a communication encouraging PTA participation, and clarifying that membership did not require any meetings or extra work.

The next meeting was scheduled for November 9th, 2020. The meeting was then adjourned.
