

## Pleasant Green Elementary ASP

### A Salt Lake County Youth Services Afterschool Program

Pleasant Green Elementary ASP will continue through to the end of the school year! If your child is staying on with the program, there's nothing left for you to do, as they're already registered. Academics with teachers will continue until 5PM, Monday-Thursday.

Starting on January 14<sup>th</sup>, 2019, enrichment activities will begin with our experienced youth leaders. These activities will go from 5PM to 5:45PM, after their academic hour with teachers. A flyer went home in December asking which parents would be interested in having their child stay for these activities, and the response was overwhelming. If you or your child returned one of these flyers to the school, look out for an email this week confirming your child's acceptance. Space is limited, and we are working hard to accommodate as many students as possible. If you do not receive confirmation, your child is still on the Monday-Thursday academic schedule and must be picked up at 5PM. Enrichment students can stay until 5:45PM Monday-Thursday, 1:45-3:45 on Fridays and other early release days.
