2. Emergency Guide

- Mrs. Peterson

The school is in the process of formalizing a plan for emergencies.

During an emergency where students will need to be released to parents there will be four binders at four tables. Parents will need an ID to for release.

Pleasant Green is working with Kelly Jeppson and Colby Litnak in a request for keys that will access the two church buildings, adjacent to the school, belonging to the Church of Jesus Christ of Latter day Saints. The school is hoping to use theseas rendezvous locations in an emergency.

An emergency evacuation practice run (including granite police, etc) will take place in February.

3. PBG-Proficiency Based Grading

Pleasant Green and Granite welcome any questions or concerns in regards to the new PBG grading. Anything that is still unresolved after talking to teachers can be addressed first to the school administration and from there on a district level.

Most member concerns were for secondary schools and not on an elementary level
