Mrs. Randall - Land Trust Plan is on track

-Apart from Land trust, Pleasant Green is on track for budget

-Money received to fund one field trip for each grade level

3: Member concerns:

Holli Meza asked if Pleasant Green will continue with 5th/6th grade "looping" (Where 5th grade students keep the same class and teachers through the fifth and sixth grade years)

Mrs. Randall: Yes. This will be continued. Looping has been shown to have a positive effect on the behavior and academics of students.
