2. 2019/2020 Community Council

- Two parent and one staff term are ending . Notice will go out at the end of the term and again at the beginning of the 2019-20 school year. Candidate forms will be available in the front office.

3. Reconfiguration Process

- The District has streamlined the reconfiguration process for networks that wish to hold informational meetings about grade reconfiguration. Those networks and school community councils that are interested in grade reconfiguration should send a letter of interest to the district office. Currently Cyprus Network lacks the facilities for possible movement of 6th grade into Jr High, pending the completion of the new high school. The Pleasant Green community council may want to revisit this topic at that time.

- Meeting adjourned until August 2019

Member Concerns

UPDATE: Over the Summer break the Pleasant Green School Community Council voted to send a letter of support for a possible sidewalk project on the north side of 2700 South from Twain Drive to 8056 West. This letter would be submitted with a grant application for the project by Mr. Grover Marsh P.E.
